HANSFORD

Rev. Jas. Barns preached for the
people again at this place Sunday.

Ex-Chief Henry Catron was in
this country last week buying pigs,
sheats and hogs.

O. J. Towery, that energetic
merchant of East Fork, paid us a
merry-go-round visit recently, on
his big black mule.

W. G. Nicely handles more eggs
than any one merchant in our
knowledge. Some days he counts
out 200 dozen for the good old
ladies.

Prof. Sam Chandler, of Wadd,
took dinner with your humble ser-
vant Sunday, and talked of our
farmer class and told us plenty
which we were glad to hear.

W. S. Cress lauded himself at
this place in the fore part of last
week, wanting information as how
to get back home. He lives about
one mile southwest of Quail, Rock-
castle county.

We are glad to see H. H. Hen-
ninger's announcement as a can-
didate for State Treasurer. Being
personally acquainted with Mr.
Henninger, can say no better, nor
more competent gentleman can be
found.

THE GREAT DISMAL SWAMP

Of Virginia is a breeding ground
of Malaria germs. So is low, wet
or marshy ground everywhere.
These germs cause weakness, chills
and fever, aches in the bones and
muscles, and may induce danger-
ous maladies. But Electric Bitters
never fail to destroy them and cure
malarial troubles. They will sur-
ely prevent typhoid. "We tried
many remedies for Malaria and
Stomach and Liver troubles,"
writes John Charleston, of Byes-
ville, O., "but never found any-
thing as good as Electric Bitters."
Try them, only 50c. Satisfaction
guaranteed. At all druggists.

Gum Sulphur

Jack Frost seems hard to give up
the struggle with spring.

The writer was at Watts' Chapel
last Sunday afternoon to attend
Sunday school.

Mr. Wm. Feugeit is stepping
around in Gum Sulphur, quick as
a flea after a tick.

Rev. Thos. Stinnett will preach
here next Sunday afternoon at 3
p. m. All are invited to come out
and hear him.

Uncle N. D. Wilmot is still able
to journey to and from the depot
and postoffice, using his cane as a
guide over the rock and obstruc-
tions and gullies, as he is almost
blind.

Mr. Wm. Giles has rented and
moved part of his household goods
to Brodhead. We regret to give
him up as he was one of our best
citizens. On last Monday night
his infant child was called from
this world to its home above.

We organized a Sunday school
here last Sunday, with good mate-
rial as officers, and if the people
here will only realize the great
need and importance and lend a
helping hand to this noble work
in bringing up the young in the
way they should go and advance
Christianity, morality and temper-
ance.

BEAUTY AND STRENGTH

Are desirable. You are strong
and vigorous, when your blood is
pure. Many—nay, most—women,
fail to properly digest their food,
and so become pale, sallow, thin and
weak, while the brightness, fresh-
ness and beauty of the skin and
complexion, depart. Remedy this
unpleasant evil, by eating nourish-
ing food, and taking a small dose of
Herbine after each meal, to digest
what you have eaten. 50c at Chas.

NEW SCHOOL LAW.

The following is a synopsis of
the school law as passed by the last
Legislature:

1. The examination for common
school graduates will be held the
last Friday and Saturday in Jan-
uary and second Friday and Satur-
day in May, instead of last Thurs-
day in January and June, as before.
The applicant will have two days,
instead of one as under the old
law.

2. The Payment of Teachers—al-
lows the payment of only 20 per
cent. in October, 20 per cent. in
November, 20 per cent. in Decem-
ber and the balance in January.
The old law recommended the pay-
ment of 40 per cent. in October,
20 per cent. in November, 20 per
cent. in December and 20 per cent.
in January; but the difficulty was
in meeting the October payment of
the 40 per cent, which was met
but two or three times while the
law was in effect.

3. Requires the County Superin-
tendent to give bond in duplicate,
one copy to be filed in the office of
the County Clerk, and the other to
be forwarded by the County Clerk
to the State Superintendent.

4. Requires County Superinten-
dent to make their annual reports
to the State Superintendent by August
1st, instead of Sept. 1st, as un-
der the old law.

5. Is in regard to payment of
County Superintendents. Under
the old law the lowest salary that
the Fiscal Court might allow was
\$250 per annum, and the highest
was \$1,000.

The new law makes the lowest
limit \$400 per annum, and the
highest \$1,500. This will effect
only nine counties in the State, as
there are only nine that pay below
the \$400, while there are only ten
more that pay as little as \$400,
while the majority of the rest pay
from \$600 to \$1,000. There are
eight that pay more than \$1,000
per annum.

H. H. HENNINGER,

Of Wayne county is a candidate for State
Treasurer, subject to the action of the
Democratic party.

SENATOR PETTUS cast the only
vote against the bill passed by the
Senate providing for the payment
of \$5,000—one year's salary—to
the widow of the late Judge I. C.
Parker, of the western district of
Arkansas, for extra services rendered
by him while on the bench, al-
though Senator Gallinger warned
the Senate that the bill would es-
tablish a dangerous precedent. It
is customary to give the widows of
Senators and Representatives a sum
equal to one year's salary, but this
is the first time that the custom has
been extended.

REPUBLICANS of the House are
accused of trying to dodge the resolu-
tion for an investigation of the
beef trust, offered by Representative
Thayer. Representative Hepburn,
of Iowa, chairman of the committee
on Commerce, to which the resolution
was referred, it is taken from the
committee and referred to the
committee on Agriculture. Mr. Hepburn
said he did not think the committee
considered it if it was not a hot
report. He said he would not take
action.

THE man is franker than
the master. Having been sent by
Secretary Root to testify before the
Senate Military committee in favor
of the bill for the reorganization of
the army in such a way that the
President and Secretary of War can
provide for their pets even better
than at present a bill that has not
recovered since Gen. Miles jumped
on it. Lieut. Gen. Schofield, retired,
went further and frankly acknowl-
edged in so many words that one
of the objects of the bill was to get
rid of Gen. Miles.

MUCH has been said and much
interest manifested in the recent
change, which has taken place, in
the management of the great Louis-
ville and Nashville railroad system.
That the management has reverted
from the hands of August Belmont
& Co. to that of J. P. Morgan &
Co. is all the general public will
ever know, and so far as the man-
agement is concerned the pub-
lic will never, on account of any
change from the present, be able to
realize that any thing has happened.

SENATOR BLACKBURN can call a
man a liar without getting called
down even under the amended
Senate rules. He said of a state-
ment made by Senator Depew con-
cerning the Goebel election law, of
Ky., "It goes without saying that
the truth is innocent of any appear-
ance in that statement."

GEN MCARTHUR upholds the re-

THE River and Harbor bill

Hon. Don M. Dickinson, who
has been rather inclined to favor
the republican side of the Philip-
pine question, seems to have had
his eyes opened by the operation of
the sedition laws. Speaking on the
subject he said: "I would rather
give up those islands, lose all they
cost us, lower the flag a thousand
times, and get out of Porto Rico,
Cuba and Hawaii, than to see our
civil authorities—note I say 'civil
authorities'—revive the sedition
laws, the like of which were so
abhorred and so hated and whose
existence on our statute books was
so brief and so ruinous to their
authors in the administration of
John Adams." Glad Mr. Dickin-
son has recovered his democratic
eyesight.

HOUSEWORK

Too much housework wrecks wo-
men's nerves. And the constant
care of children, day and night, is
often too trying for even a strong
woman. A haggard face tells the
story of the overworked housewife
and mother. Depraved natures,
leucorrhoea and falling of the
womb result from overwork.
Every housewife needs a remedy
to regulate her menses and to
keep her sensitive female organs in
perfect condition.

WINE OF CARDUI

is doing this for thousands of
American women to-day. It cured
Mrs. Jones and that is why she
writes this frank letter:

Glendean, Ky., Feb. 10, 1901.

I am so glad that your Wine of Cardui
is helping me. I am feeling better than
I have felt for years. I am doing my
own work without any help, and I
washed last week and was not one bit
tired. That shows that the Wine is
doing me good. I am getting fresher
than I ever was before, and sleep good
and eat hearty. Before I began taking
Wine of Cardui, I used to have to lay
down five or six times every day, but
now I do not think of lying down through-
out the day.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF
**DEAFNESS OR HARD HEARING
ARE NOW CURABLE**
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you
a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost
my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a num-
ber of physicians, among others, the most eminent ear specialist of this city, who told me that
only an operation could help me, and even that only temporarily, that the head noises would
then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treat-
ment. After I had used it only a few days according to your directions, the noises ceased, and
to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you
heartily and beg to remain
Very truly yours,

Within the next fifteen days you will be able to call most of Livingston citizens at their residences or business houses by telephone as the exchange at that point will be finished by that time.

John Burnside, colored, of Lexington, was tried here yesterday and held over under a bond of \$250 for stealing, which he failed to give and was sent to jail. He stole an over coat and other things from Engineer Sturgis at Livingston.

Joe F. Waters, editor of the Lincoln Democrat, is now in a position where he can truthfully say "I told you so." He has, for years argued, worked and done everything a hustler could do to convince the Lincoln people that there was oil, and lots of it within their borders. The striking of oil on Baughman's farm proves that Joe is a man of anagasy in large proportions.

Late Sunday night, Mr. J. Henry Fish saw two suspicious characters perambulating around in his back yard, which to him was a little strange occurrence, and could be accounted for only in one way, that they were trying to make a raid upon his store. Mr. Fish says: "While I could not see well enough to tell who they were, yet had they tried to force an entrance, they would have soon found out who, I was."

James I. White formerly of this place, and by the way a mighty good man, has done well since moving to Lancaster. He is general manager of the Lancaster Oil and Gas Co. It was through his efforts that his company secured the Wages farm in Knox county that now has three "gushers" on it. There are ten persons in the company, including Mr. White. They have been offered \$50,000 for their interests in the Wages farm.

The Lincoln Democrat secured the services of our townsman, Jas Maret, in getting up a map of Lincoln county, which he finished up Wednesday morning. The size of map is 18 by 24 and is pronounced by experts to be a fine piece of work. The Democrat will have them on sale within next ten days at \$1 each, and a big run is predicted. The oil interest in that county is being pushed. Rockcastle will be right along with them in the near future.

Mr. C. L. Stone, General Passenger Agent of the L. & N., announces that he has placed on sale, with all ticket agents, interchangeable mileage books covering a distance of 13,053 miles of railroad and steamship travel in the South. This is a great convenience and a saving to commercial men and others who do much traveling. Mr. Stone is one of the most energetic passenger agents of our acquaintance and in our opinion, much of the credit is due him for giving this convenience to the traveling public.

CONTEST.—The Old Fiddler's Contest, which was given in the court house here last Saturday night was a grand success in every particular. In the language of Mr. Larkin Hicks, who has attended ten of these contests: "There were more good fiddlers at Mt. Vernon than any place I have been." The contestants were, Larkin Hicks, Fount Tyree and H. G. Howard, of Brodhead, Ben and Alex. Martin, of Rowland, James Anglin, of Withers, Garrold Bowles, of Disputanta, Alwise Carpenter, of Pine Hill, Lee Arnold, of Livingston and H. F. Green, of London. The judges, Messrs. J. W. Ireland, of Danville, E. G. Chatham, of Louisville and D. G. Martin, of Cincinnati, awarded first prize to Fount Tyree, second, to H. F. Green and third, to Alex. Martin. A large audience was present to hear this splendid array of old time fiddlers.

A DOCTOR'S BAD PLIGHT.
Two years ago, as a result of a
severe cold, "I lost my voice,"
writes Dr. M. L. Scarbrough, of
Hebron, Ohio, "then began an ob-
stinate cough. Every remedy
known to me as a practicing physi-
cian for 35 years, failed, and I daily
grew worse. Being urged to try
Dr. King's New Discovery for

found quick relief, and for the last
ten days have felt better than for
two years." Positively guaranteed

Headache

kills, not necessarily suddenly,
but SURELY. It preys upon the
intellectual powers more than
we realize. It consumes the
vitality faster than nature can
replenish it, and we cannot tell
just what moment a temporary
or complete aberration of the
mind will result. Headache and
pain should be promptly re-
moved—but properly. Many
pain cures are more harmful
than the pain. Beware. If
you would be safe, take

Dr. Miles' Pain Pills.

"As a result of neuralgia I lost
the sight of my right eye, and the pain I
have suffered is inconceivable. Be-
ing obliged to take opiates almost con-
tinually. A friend gave me one of Dr.
Miles' Pain Pills and it promptly re-
lieved me. I then purchased a box and
now my trouble is gone. They have
also cured my daughter of nervous
headache, and I heartily recommend
them to others."—W. J. CORLEY, Erc-
mond, Texas.

EXTRA SESSION
OF THE LEGISLATURE WILL NOT
BE CALLED BY GOVERNOR
BECKHAM.

The following letter from the
Governor, addressed to some Gar-
rard county petitioners, asking for
an extra session, shows the position
which he occupies:

"State of Kentucky, Executive
Department, Frankfort, April 8,
1902.—To T. B. Robinson, Chair-
man Democratic Committee, Lan-
caster, Ky.—Dear Sir: Upon my
return to the office last Saturday I
found a petition signed by yourself
as Chairman of the Democratic
County Committee, by other mem-
bers of the Committee, and by a
number of excellent citizens of your
county, asking me to call a special
session of the Legislature for the
purpose of passing a bill similar to
the Registration Bill passed by the
General Assembly at the reg. r
session and lost, and also for the
purpose of passing a School Book
Bill. I wish to assure you and the
other gentlemen who signed this
petition that I shall always regard
with the greatest respect a request
or suggestion coming as this does
from worthy Democrats of Garrard
county and men in whose character
and Democracy I have such great
confidence. It would be a pleasure
to, if possible, conform to your
wishes. However, I am of the
opinion that the passage of a Regis-
tration Bill is not of such extraor-
dinary importance as to justify a call
of an extra session of the Legisla-
ture, and as for the School Book
Bill, it was clearly shown by a vote
in the last session of the Senate that
there were enough Democratic Sen-
ators voting with the solidly Rep-
ublican vote make impossible the
passage of such a bill by the Senate
as now constituted. I admire the
spirit that prompted you gentlemen
to sign this petition and it would
always be a pleasure to me to have
you express your views and wishes
about such matters. But I am of
the opinion that it would not be
wise at the present time to call this
General Assembly in extraordinary
session. With high regards for all
of you, I have the honor to be very
truly yours,

"J. C. W. Beckham."

SAVE THE LOVED ONES!
Mrs. Mary A. Vliet, Newcastle,
Colo., writes: "I believe Ballard's
Horehound Syrup is superior to any
other cough medicine and will do
all that is claimed for it, and it is so
pleasant to take. My little girl
wants to take it when she has no
need for it." Ballard's Horehound
Syrup is the great cure for all
pulmonary ailments. 75c, 50c and

The new Commissioner of Pen-
sions is said to be a humorist, but
if he finds any fun in that job he
will do more than any of his pre-
decessors have been able to do.
According to Gov. Taft, Col.
Gardner was worthy of belief and
confidence until he showed up the
military misdeeds in the Philip-
pine province, of which he is act-
ing civil governor.

For Tiger.

No use to hunt tigers with
bird-shot. It doesn't hurt the
tiger any and it's awfully risky
for you.

Consumption is a tiger
among diseases. It is stealthy
—but once started it rapidly
eats up the flesh and destroys
the life. No use to go hunting
it with ordinary food and med-
icine. That's only bird-shot.
It still advances. Good heavy
charges of Scott's Emulsion
will stop the advance. The
disease feels that.

Scott's Emulsion makes the
body strong to resist. It
soothes and toughens the lungs
and sustains the strength until
the disease wears itself out.
